The directors reserve the right, at their sole discretion, to withdraw anyone whose influence and actions are deemed unsatisfactory within the rules and policies of the camp. If this occurs, no reduction or return of fee, or any part thereof, will be made. Due to fixed costs and expenditures based on definite enrollments and dates, no refunds or reductions can be made for entering or withdrawing early. In the event that I cannot be reached in an emergency when my child is under Birch Hill supervision, I hereby give permission to the physician selected by the Camp Director to hospitalize, secure proper treatment for, and to order injections, anesthesia, or surgery for my child. My child has permission to participate in all camp programs, camp trips, and special outings planned and supervised by Birch Hill. I understand that part of the camping experience involves activities and group living arrangements and interactions that may be new to my child, and that they come with certain risks and uncertainties beyond what my child may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free and so I have instructed my child on the importance of abiding by the camp's rules, and my child and I both agree that he or she is familiar with these rules and will obey them. I give Birch Hill Summer Camp permission to reproduce and publish any photograph, video or likeness of my child for advertising, commercial or any other purpose that is camp-related. I have read and agree to the terms outlined above.
